

# DIG GREENVILLE

## Community Resource Information

The Dig Greenville team is dedicated to serving the community through responsive, strategic communication including consistent distribution of project information. Below are the primary methods available for staying informed of Dig Greenville progress and interacting with the project team. We are committed to being good neighbors by ensuring that there is a steady flow of accurate, reliable information regarding construction activity and the status of the project into the community, and that the community's comments are received and addressed.

### CONTACT US

Call or email the Dig Greenville team with questions or concerns:  
**24-hour Hotline 877-897-1987 • DIGgreenville.org**

If there is an immediate concern related to health or property, please call 911.

### VISIT US

Schedule a visit to speak with dedicated project staff.  
**561 Mauldin Road, Greenville, SC 29607 • 8:30 am – 5:00 pm • Monday – Friday**

Neighbors can call the number above to schedule an appointment to meet with a project representative during office hours.

### FOLLOW US

There are several means of keeping up-to-date on Dig Greenville activities.

- **Project Website** – Read about the project, access FAQs, and sign up for newsletters at [DIGgreenville.org](http://DIGgreenville.org)
- **Social Media** – Track progress and be a part of the of Dig Greenville social network at [facebook.com/DIGgreenville](https://facebook.com/DIGgreenville) and [twitter.com/DIGgreenville](https://twitter.com/DIGgreenville)

### MEET US

Dig Greenville will host public meetings at various intervals as the project moves forward.

- **Dig Buzz Session** – Members of the Dig Greenville team including ReWa, Black & Veatch, and Super Excavators will present project information and answer questions from the community in an open forum. Notice of meetings will be provided at least two weeks in advance via local publications, [rewaonline.org](http://rewaonline.org), and email distribution.
- **Sippin' with Steve** – Monthly, Construction Manager Steve O'Connell will provide coffee and project updates as well as answer questions from the community at a location to be determined. Look for updates on our Dig Greenville Facebook page!
